Assumptions

- Customer will install Pendo code on the applicable Customer or third-party application(s) and provide access to Customer's Pendo subscription and such application(s) as needed to provide Professional Services.
- Pendo will not modify Customer application code. For clarity, Customer is responsible for installing the Pendo code snippet in its application.
- The Professional Services expire and must be consumed as outlined below per package option:
 - Standard: 60 days after contract execution
 - Plus: 90 days after contract execution
 - Premium: 120 days contract execution
- Each session can have up to 10 attendees. If additional attendees are required, Pendo will work with the Customer to determine whether additional sessions are needed (subject to the applicable Pool of Hours).
- Customer must have an active, paid subscription for any application key in scope for the Professional Services.
- For PS Engineer Led sessions, a Pendo PS Engineer resource will be assigned based on mutually agreed upon session timing and availability.
- The Professional Services will be performed on a remote basis

This Services Description is incorporated into the Pendo Order Form or other ordering document between Pendo and a customer covering the purchase of applicable Professional Services.
